Name: _____ Coyote ID: _____

If you are a male who is at least 18 years old AND born after December 31, 1959 you must be registered with the Selective Service in order to establish eligibility for financial aid. The Office of Financial Aid and Scholarships is required to verify that you are registered before any financial aid is awarded.

Certification of Registration status (please check the appropriate box):

- I **am** registered with the Selective Service. You must attach a copy of your Registration Acknowledgement, Verification post card, or a letter confirming your registration status. You may contact Selective Service at (847)688-6888 or <http://www.sss.gov> to obtain the verification required.
- I **am not** required to be registered with the Selective Service because:
- I am female
 - I have not yet reached my 18th birthday and unable to register. I understand that on my 18th birthday, I must register for the Selective Service.
 - I was born before January 1, 1960
 - I am over the age of 26, and failed to register prior to turning 26. My failure to register was neither knowing nor willful.

Non-Registrants Age 26 and Older

Selective Service does not permit males who are over the age of 26 to register. If you were required to register but failed to do so prior to turning 26 you are no longer able to register with Selective Service. If failure to register was not "knowing or willful" (not intentional), you may still qualify for state and/or institutional financial aid. The Office of Financial Aid and Scholarships may request that you submit a letter detailing the reason(s) why you failed to register prior to turning 26.
