The Department of Education (ED) is taking additional steps to ensure compliance with the Selective Service registration provisions of P.L. 97-252, commonly referred to as the Solomon Amendment. The law requires men who meet the registration requirements to be registered with the Selective Service in order to receive federal student aid. We were unable to confirm your status through the Selective Service database.

Please clarify your Selective Service status by checking the appropriate box:

I certify that I was born **before** 1960.

I certify that I have not reached my 18th birthday.

I certify that I am a female.

I certify that I am registered with the Selective Service.

Non-Registrants Age 26 and Older.

Selective Service does not permit males who are over the age of 26 to register. If you are required but failed to do so prior to turning 26, you are no longer able to register for Selective Service. Please attach a letter detailing the reason(s) why you failed to register and you must obtain a written advisory opinion from the Selective Service's Office of General Counsel.
